

A Day in my Dream World

My world is full of imagination
No regrets or frustration
First, let's go to tech and time,
The first attraction on this line.

Tech and time is so machinery,
These big machines are made geniunely!
The time section is where dreams came true,
Coz you can go through time — yay,
Woohoo!

Up next we got smells and swells
Where the flowers smell nice and neat
And if you are sick you can get a checkup,
Where your body feels nice and sweet.

The third attraction is "GAMES ARE GREAT"
Where you'll see fabulous games!
Through PC, VR, Ipad and more
You'll enter this world of fame!

The fourth attraction on our list
Is the imagine maker
It helps me imagine stuff
Like a fire put out by tons of lazars.

The last attraction is the crazy fun house
It's filled with crazy activities
Like a bouny house, swimming pool, carnival games and there's so many things to do literally!

Attractions are great
But it's time to say goodbye
It's been really fun
But It's the opposite of Hi
Thank you for visiting my dreamworld
I'm glad to say,
Have a very wonderful and splendid day!
