One day my mom asked me to write down all the things I wanted in my dream world. I started thinking about it. In my dream world, my school will start at 10 o'clock, so I will wake up at 9 o'clock. I don't want to travel on the bus for 1 hour, so I will travel on my magic carpet to go to school.

In the school we will only have drawing, story time, music and playtime. I will reach school and go for my drawing class. I will draw a cute panda and color it with water colors. After drawing class, I will go for recess, where I will play on round about and the swings with my friends. There will be some cotton candy clouds, which me and my friends can pick and eat. How will I pick up the cotton candy clouds? – I know.... I can get the bouncy basketball shoes; those shoes can help me get many baskets and win my basketball game.

After recess, it is lunch time. I will eat chocolate for my lunch. When lunch is over, we lined up to go to the classroom, where we listen to the book. It was a very long and nice story. The bell rings and it was music time. We learned a song about Spring. Then the school bell rings and it is time to go home on my magic carpet. It was soooooo fun day.
