

A day in my dreamland

Age: 6

Finally, the day is here. Guess what I am in my favorite place. The Unicorn Academy. Wild star and Sofia are my favorite characters from the academy, and I am so happy to meet them in real. By the way I forgot to tell you that Wild star is a unicorn who is very magical, kind and a true friend of Sofia. Sofia is strong, smart and determined and has beautiful rainbow hair.

Sofia has a mission to find her dad and need help. Her dad's name is Miles. I am so happy to go with her on this mission.

She showed me a big castle. It was full of flowers. I smelled many flowers on the way. She told me about a Vision pool nearby. It is a magical pool, and she can see her dad through it. I could see her dad and knew he needed to be rescued. Wild stars have magical power. He can show light paths that will show us the way to find her father. Wild stars use her power to make long bridges. We followed the path, and Sofia could find her dad. Finally, Sofia and her father are together, and I am so happy for them.

I wish I could stay here for more but it's time to come back. It was fun living in my dreamland for a day and I will always remember it.
