

## Evie's Halloween

BOO! Evie the pumpkin dragon woke up and all the pumpkins vanished from Pumpkin Forest! The pumpkins were kept safe by two enchanted bottles, one was orange the other was black. They were both were guarded by a gigantic spider that loved Halloween.

Evie suspects the Dark Bandits stole the two enchanted bottles! To restore them, Evie zoomed to the cave where the bottles are stored to find "10 Legs" the giant spider. Once she got there 10 Legs said that the Dark Bandits wrapped him up in his own silk and put the bottles in snow so that their magic wouldn't work! Evie asked 10 Legs where they were, he said they were at Snowy Peak.

"Oh no, not Snowy Peak!" she thought.

Immediately she took off like a rocket to Snowy Peak.

She looked all around but she couldn't find the bottles! So she dug deeper into the snow.

TINK! Her claws hit something hard. It was the enchanted bottles! Careful not to break it, she held them in her claws and zoomed back to the cave as fast as her wings could take her. Evie put the bottles back in their rightful place and... POOF! All the pumpkins magically came back.

It was the best Halloween Evie has ever had!
