## **Chapter 1 Spilled soda**

**Monday: After Saturday and Sunday the weekend was over and it was time for school. For breakfast I had ghost granola and Frankenstein French toast sticks. Now I have to go now Ring! Ring! That's the bell we have morning meeting now. After class it's lunch time and I'm buying lunch today. I go to the vending machine and buy an energy drink and chicken nuggets. I sit down and..... SPLOOSH**

## **Chapter 2 OH GREAT**

**NOW I'm covered scythe to robe in soda! Wait I'm feeling funny clunk a dunck shabboom! What's happening to me?**

## **Chapter 3 Mirror mirror on the wall**

**I look in the mirror, I see my reflection- it looks unusual. I'm no longer wearing my long black robe or carrying my scythe. Instead I look like a shiny purple soda can holding a straw, not my favorite scythe!**

## **Chapter 4 Early dismissal**

**After all those cafeteria shenanigans the nurse sent me home. I walked in the door. SON WHY DO YOU LOOK DIFFERENT!!!!????? I don't know WELL I THINK I SPILLED SODA ON ME!!!!!!**

**Dad says, YOU BETTER GO TO THE WISHING WELL.**

## **Chapter 5 Lucky or not???**

**I got to the wishing well. I looked over the edge to make my wish. I WISH I DIDNT HAVE TO GO TO SCHOOL THAT DAY FOR MY PARENTS SAKE WHY WHY WHY WHY DID I HAVE TO GO TO SCHOOL AND BUY LUNCH THAT DAY AT SCHOOL???**

## Chapter 7 Reaper-tist

ENVY! ENVY! TIME TO GO TO THE REAPER-TIST to search for a cure! What's the cure called? I'm not sure if there is a cure but there might be one for you.

## Chapter 8 BRAIN TIME For school again.....

I asked my Dad, Is it time for school again? I'm afraid yes son. Now remember not to get an energy drink at the vending machine. I MEAN ANYTHING.

## Chapter 9 Lunch again

It's time for lunch now. I'm carefully moving without bumping into the vending machine. Yay! I made it now to buy lunch.
