

## **A Beautiful Day by Cole Mulkerin, Age 8**

A beautiful day

Snow on the ground

A nice fireplace

My feet in cozy warm socks on the floor

Hot cocoa warms my hands

Snuggling up on the couch

Warmness fills the air

I feel relaxed as I read

I'm thinking of a summer day

Jack Frost is whistling through the air

A light snow is coming down

My brain is calm and my body is relaxed

Birds have gone south and

Bears have gone to their slumbers

All is quiet
