

# A Cozy Winter Day

By: Eliza R, Age: 8, Grade: 3, School: Riverdale Elementary School

A cozy winter day all by yourself,  
Can sometimes be putting books on a shelf.  
A cozy winter day is a snowball fight with your brother,  
Or can even be snowangels with your mother.  
A cozy winter day is hanging out out with a friend,  
While somebody thought the snow would never end.  
A cozy winter day is spent tucked up tight in bed,  
“It’s not about the gifts.” Is what your father said.  
A cozy winter day is crocheting a hat,  
But others think it’s petting a cat.  
It also can be watching football with Drake Maye,  
And for me that’s a pretty good winter day.
