

A day in my dreamland!

One day, Pichu, Pikachu & I were planning to go to Grass Vine Garden. After 2 hours, we arrived at the garden. Me & my friends wandered off. We saw 3 paths but we couldn't agree which way to go. So then, we started arguing. Then I got a great idea! "Hey why don't we go our favorite ways?" I said. "I mean, I go forward, Pichu goes left, & Pikachu goes right!" We all went our favorite ways, but we all ended up together! Then we saw a house that says Team R! "Hmmm...?" I said. "This name seems familiar!" We went inside the house & saw an old man & an old woman. There was a cat too! I recognized them immediately. "Team Rocket!" I said. They took off their disguise. "Muahahaha!" they laughed. "Prepare for trouble, and make it double, that's right! Jessie, James, & Mewoth!" Jessie took out a pokeball. "Arbok, I choose you," Jessie said. I was filling with rage. "You're on!" I shouted. "Pichu, use your iron tail!" "Arbok, use your poison fang!" "Dodge it, Pichu," I said. "Now jump!" "Now use thunderbolt!" "Pichuuu!" "Weeing, You're up!" said James. "Use smoke stack!" Everything became black. My eyes were burning.

Suddenly, everything was bright again. When I looked up, I saw Team Rocket in a hot-air-balloon! And he saw his friends. Pichu & Pikachu! I took out Staryu. "Use your point to rip the hot-air-balloon." "Staaaaars yu!" "Team Rocket is blasting off again!" "Bye!" I said smiling. This is a dream land. Bye!
