

My Dream Vacation

My dream vacation is going to **India**, and I think it would be the best trip ever. My grandparents live there, and I really want to see them and give them a big hug. India has so many cool places like **temples, beaches, and mountains**, and I want to visit all of them.

I watched videos with my mom showing beautiful temples, and their architecture looked amazing. I want to see each one in real life. I also want to try all the yummy Indian sweets like **jalebi, jangree, kaju katli, and laddu**. I love sweets, so thinking about them makes me super excited. I read a story about **Mt. Kailash**, and now I really want to go there too.

My friend Arihan told me the beaches in India are awesome, especially the one he visited in Chennai. I also want to meet my cousins who live in different states. I've never seen them before, so I want to play with them, share stories, and make new friends. I want to see the **Taj Mahal**, try different ice-cream flavors and kulfis, and buy a new **cricket bat** with stumps.

I want to play **Holi**, fly kites, celebrate **Diwali**, and eat all kinds of candies. I also want to buy wooden toys to bring back to the U.S. and show my friends. I want to visit the zoo, see the animals, and buy souvenirs for everyone. I know they will be so happy.

This is why India is my dream vacation.
