I love helping my mum. One evening, it was a sunny Friday, and my mum was not feeling well. I felt worried about her so I decided to help by cooking dinner. I chose to make shepherd's pie. First I boiled the potato until they were soft. Then I took out out a pie dish and poured our meat sauce into it. After that I carefully spread the mashed potatoes evenly on top. I sprinkled some grated cheese over it because I know my mum likes cheese. Next, I put the pie into the oven to bake. After a while, a delicious smell filled the kitchen. When the pie was ready, my mum woke up and came out of her room. She smiled when she saw what I had made. We ate together happily, and she said it was very tasty. I was proud of myself, and most importantly, my mum felt much better.
