

A DAY IN MY DREAM WORLD

Today, after I woke up, I brushed my teeth and ate breakfast. I went to play outside in our backyard and I was shocked, "OH MY GOD!!! Our backyard looked a lot different. It had a lot of big colored mushrooms. The mushrooms were so bouncy that I could use it as a trampoline. When I was bouncing I saw a giant castle far far away. I just realized our house got transported to the Mushroom kingdom. Then I went running inside our house screaming, "MOM DAD WE ARE IN THE MUSHROOM KINGDOM!!!"

Then my parents were shocked too. I asked them if I could explore around and my parents said, "Ok but come before it gets dark." So I first went to the castle and said "Hi" to the Princess Peach. Then on the way from the castle I saw a gigantic chess board so I asked the mushroom headed men, who are called toads to play with me. They said YAY!!! They screamed and happily joined me. Each time I won, they rewarded me. After a while when I was on my way back home, I spotted a green egg on the roof of Peach's castle. So I went near the egg and it cracked open and a green baby dino named "Yoshi" popped out and started playing tag. We played tag for a long time and it almost got dark. So I rode on Yoshi back home. I asked my parents if I could have Yoshi as my pet. They agreed and we all had dinner and went to bed with Yoshi. Just then the alarm buzzed. Then I woke up and asked my mom where Yoshi is. But then she said, I was probably in a dream world with Yoshi. Guess that was my happiest day in my dream world.
